

# Dance & All That Jazz Studio's Reopening Plan

## Drop off/Pick Up

- Students need to wait outside in parent's car until classes begin. Viewing area is closed until further notice. Parents can wait in their cars or come back to pick up students.
- Students are required to come into the studio wearing a face mask and leave wearing a face mask. Students who have class in studio B will enter and exit studio B's front door entrance.
- Students need to be dressed and ready for classes before they come to the studio. Changing rooms are closed until further notice.
- Students' temperature will be taken and recorded with an infrared thermometer before entering the dance floor.
- Students need to sanitize/wash their hands before walking on the dance floor and also need to sanitize/wash their hands leaving the studio.
- Students will be directed to their spot on the dance floor by their instructor.
- Classes will end 5 minutes early to be able to properly sanitize dance room before the next class arrives and able to enter the studio.
- Students are not permitted to hang out at the studio. Please be prompt with pick up. Any questions regarding drop off/pick up for that day, please call the studio.
- At pick up, instructors will let students out one at a time. Parents, please wait in your cars.

## Class Info

- All students will be socially distanced in the studio at least 6 feet apart with spot markers and are required to wear a mask during class. There will be no use of ballet barres and props until further notice. Ballet classes will be in center for barre exercises.
- There will be no sharing of anything between students (water bottles, therabands, hairbands, shoes, etc).
- Instructors' temperature will be taken at the start of their first class and they will need to sanitize/wash their hands before each class begins. Instructors and staff are required to wear masks at all times inside the studio.
- Class sizes will be limited to 9 students plus 1 instructor to maintain proper social distancing and government regulations.
- We will offer some live stream options for students who are not ready to come to the studio yet.
- If there are more than 9 class registrations, classes may be on a rotating (every other week) schedule to be taking class at the studio vs. taking class livestream from home.

## Cleaning/Disinfecting

- Common areas will be disinfected in between each class.
- A deep clean will be done at the end of each night.
- Extra hand sanitizer will be around the studio.

## General Info

- Students are to bring their own labeled water bottle and must take with them before leaving the studio. Water coolers are closed until further notice.
- Please have your dancer self-evaluate before coming to the studio. If sick or have a fever, remain home. You may take the livestream option for class.
- Any registrations/payments/questions will be handled via phone, email or online at our website.
- All students are required to sign an updated liability waiver for summer classes.

## **Outdoor Classes**

Some classes at the studio will be able to run outdoors. Students will be socially distanced for classes. Students are not required to wear masks.

Classes will be on the side of the building and students should wear gym shoes.
